EVENT - WEDNESDAY – MARCH 21, 2007 – HIGH NOON!

HYDRO “CHILI MASTER” TROPHY UP FOR GRABS!

CAMBRIDGE, Ont. - At Cambridge and North Dumfries Hydro Inc. things will be really heating up during the lunch hour on Wednesday – March 21st. The Energy+ team are planning their second annual **Chili Cook-Off** lunch. The event will raise funds for the local **United Way of Cambridge and North Dumfries**.

President John Grotheer said “...I am really looking forward to a repeat performance of last year’s event. This chili cook-off gives the employees a chance to get together during the lunch hour and raise money to give back to our community. It also promotes some friendly competition between the chefs! The spirit of generosity and employee’s enthusiasm to raise funds for our local United Way is phenomenal.”

This year employees are again being challenged to cook up a pot of their secret chili recipe and enter their creation in support of the event. Last year employees were offered the opportunity to purchase “tasting rights” to fourteen separate entries, ranging in heat from “a spark” to “a shock” to “electrifying”.

Celebrity Judges from the community will vote on which chili recipe is deserving of the “**Chili Master Trophy**”. The panel of **Celebrity Judges** include **Brian Butcher**, Chair of the Cambridge Chamber of Commerce, **Joan Rawski** of United Way and **Douglas Ridsdale**, Chair of Hydro. Employees also get to nominate their favourite dish of the hot stuff brought in by co-workers. That winning dish gets the “**People’s Choice Award**”.

Grotheer said, “the chili lunch in support of United Way was a great success last year. I am looking forward to another heart warming experience this year, with or without the three alarm chili!”

Cambridge and North Dumfries Hydro Inc. is a local distribution company that delivers hydro to over 48,000 residents and businesses in the City of Cambridge and Township of North Dumfries. **In 2006 the Energy+ Team of 84 raised more than \$19,500. for the local United Way of Cambridge and North Dumfries.**
