Cambridge and North Dumfries Energy Plus Inc. are holding their annual meeting of Shareholders in a public forum. This one-hour meeting will open with the Annual General Meeting of Shareholders chaired by *Charles Cipolla, Chairman of the Board*. This segment of the meeting will address the audited financial statements, election of the board of directors and appointment of auditors.

John Grotheer, President and CEO, will report on the role of the local distribution company, Cambridge and North Dumfries Hydro Inc. He will share information on successes, challenges and new corporate initiatives designed to deliver on the commitment to excellence.

The keynote speaker **Paul Grod, President & General Counsel of Rodan Energy**. Mr. Grod will speak about **Smart Grid: A Vision of a New World in Electricity**". "Smart Grid" represents one of the fastest growing buzzwords in the energy sector. Learn what a Smart Grid is, what it will mean to the electricity industry in Ontario and what it will do for our community and local business.

Mr. Grod is a member of the Law Society of Upper Canada and began his career as a corporate and investment banker. He will share powerful first hand knowledge about the challenges every business faces planning and building to meet future growth needs. This is an exceptional opportunity to hear Mr. Grod talk about exciting new opportunities in the electricity industry in Ontario and how to take advantage of those electricity winds of change.

An open question and answer period will follow. "Get Smart" during Energy Conservation Week!

Guests are invited to meet at 7:45 am for coffee, a danish and an opportunity to network with business associates and colleagues.
